

Notice of Approval

Self-containment certification with Fix'n'rail camping toilet base

www.nzlifestylecamping.com

This information sheet is specific to the MYST designed, Fix'n'rail, camping toilet base.

- NZ Lifestyle Camping Ltd is approved by the Plumbers, Gasfitters and Drainlayers Board as a NZ wide Certifying Authority for self-containment of motor vehicles (green warrants).
- NZ Lifestyle Camping Ltd continues to be a NZ wide Issuing Authority for self-containment under NZS 5465:2001 (blue warrants).

NZ Lifestyle Camping has examined the engineered and designed prototype Fix'n'rail toilet base fitted with multiple types of camping toilets.

NZ Lifestyle Camping approves the Fix'n'rail, to secure camping toilets, for self-containment certification, as a fixed toilet, where the following conditions are met.

- 1) The Fix'n'rail toilet base is *permanently fixed and* rigidly mounted in the vehicle.
- 2) The camping toilet is firmly mounted and bolted onto the base and cannot be removed in normal operation.
- 3) The removable black water holding tank or chamber can be easily removed and replaced without spillage.
- 4) The surrounding surfaces are sealed for hygiene and allow for easy cleaning.
- 5) The waste capacity (solids and liquids) is adequate to meet the occupants needs for a 3 day period. Such capacity may include secondary (sealed) storage. The toilet waste is held in a suitable removable container or bag that can be easily emptied and replaced without spillage.
- 6) The Fix'n'rail base and mounted toilet are installed in a way that ensures that the toilet can be easily accessed and used in the vehicle.

Further information on the Fix'n'rail toilet base for camping toilets and all enquiries should be directed to Myst Enterprises <https://www.mystenterprise.com/shop/bmfnr-fix-n-rail-356> . NZ Lifestyle Camping has no commercial relationship with MYST Enterprises.
